University of Waterloo				55	33	44	44.00				43	42	42.5	42.5	14	0	100.50
Arizona State University	51	84	62				65.67	18	11	20				16.33	12	0	94.00

Engineering evaluation = 100 points max Technical report = 50 points max Poster = 20 points max Mission = 170 point max + time bonus

*During the post-competition judges' meeting, the technical reports of the top scoring teams from each judging group were reviewed and discussed by both groups, who then selected the top technical report. Note that this did not impact the reported scores or the total score.
