

Registering a Participating Team Member Over the Age of 18 For a MATE Competition

This tutorial will walk you through the registration process for a student or co-mentor who is over the age of 18 who is participating in a MATE ROV Competition (Regional or International Event). This tutorial assumes that you've received a registration invitation from your Team Mentor or Instructor. If you haven't received this invitation, please contact your team's mentor and request one.

The first link in your registration invitation is to register for the Active Network. Below the line in that email that reads: "If you haven't registered yet, you can register and join the team here:" click on the link, you will be taken to the page below where you will be asked provide an email address so Active can either find your account, or start you on your way to creating an account:

What's your ACTIVE?

If your email address is found, you'll be asked for your password. If you do NOT have an Active.com account, you will be prompted to create one. The next screen you see will ask you to provide an email address so Active can either find your account, or start you on your way to creating an account.

Once you're logged in/registered, you'll be asked to provide some basic biographical information, as well as information about your experience with MATE – your contact details will be imported from the Active.com database.

At the bottom of the page, you'll be asked to confirm that you are joining a team – make sure that the team name you see is YOUR team; if you have used the link from the email your mentor sent you, then you do not need to enter your team password. If you are using the “general registration” portal for your event, then you will need to enter the password your mentor created for the team.

Once you've made certain you are joining the right team, you should read and electronically sign all waivers:

WAIVERS & AGREEMENTS

Waivers **COMPLETE**

Please read the following waivers and agreements carefully. They include releases of liability and waiver of legal rights, and deprive you of the ability to sue certain parties. By agreeing electronically, you acknowledge that you have both read and understood all text presented to you as part of the registration process.

- I agree to the Active Agreement and Waiver

Timmie Sinclair (RANGER - Instructors/Mentors - Create a Team)

- I agree to the Over 18 or Legal Guardian Waiver
- I agree to the 2020 MATE Monterey Bay - Northern California Regional ROV Competition Agreement and Waiver
- I agree to the MATE Participant Information waiver
- I agree to the 2020 MATE Monterey Bay - Northern California Regional ROV Competition Media Release

By entering my name below, I assert that I have reviewed and agree to all of the waivers and agreements I have selected above.
